## 2021-22 EUROPEAN ROAD TO THE KENTUCKY DERBY SCHEDULE

**EUROPEAN ROAD TO THE KENTUCKY DERBY** – First staged in 2018, the “European Road to the Kentucky Derby Presented by Woodford Reserve” is a stand-alone series that is separate from America’s “Road to the Kentucky Derby Presented by Woodford Reserve” series. Only one invitation to compete in the Kentucky Derby will be extended with preference given to the horses with the most points in the “European Road to the Kentucky Derby Presented by Woodford Reserve” series. No invitation will be extended beyond the Top 4 point earners but if a horse also qualifies through America’s “Road to the Kentucky Derby Presented by Woodford Reserve” series, the invite will be extended to the next eligible horse. If two or more horses have the same number of points, the tiebreakers are earnings in non-restricted stakes races through April 16, 2022 followed by lifetime earnings through April 16, 2022. In the case of remaining ties, the additional starter(s) and/or also-eligible horses shall be determined by lot (aka a “shake”). Any points earned in America’s “Road to the Kentucky Derby” will be credited to the horse’s point total in the “European Road to the Kentucky Derby.” Since 1967, there have been 49 horses who previously raced outside North America and ran in the Kentucky Derby. Venezuela’s Canonero II won the 1971 Derby, while Bold Arrangement (GB), who was campaigned in Great Britain and France, finished second to Ferdinand in the 1986 renewal.

## RTKD AND RTKO RULES

### TIEBREAKERS –

- America's Road to the Kentucky Derby and Road to the Kentucky Oaks: If two or more horses have the same number of points, the tiebreaker is earnings in non-restricted stakes races. In the case of remaining ties, the additional starter(s) and/or also-eligible horses shall be determined by lifetime earnings. In the case of remaining ties, the additional starter(s) and/or also-eligible horses shall be determined by lot (aka a “shake”).
- European Road to the Kentucky Derby: If two or more horses have the same number of points, the tiebreaker is earnings in non-restricted stakes races through April 16, 2022. In the case of remaining ties, the additional starter(s) and/or also-eligible horses shall be determined by lifetime earnings through April 16, 2022. In the case of remaining ties, the additional starter(s) and/or also-eligible horses shall be determined by lot (aka a “shake”). Any points earned in America’s “Road to the Kentucky Derby” will be credited to the horse’s point total in the “European Road to the Kentucky Derby.”
- Japan Road to the Kentucky Derby: If two or more horses have the same number of points, the tiebreaker is lifetime earnings through April 16, 2022. In the case of remaining ties, the additional starter(s) and/or also-eligible horses shall be determined by lot (aka a “shake”). Any points earned in America’s “Road to the Kentucky Derby” will be credited to the horse’s point total in the “Japan Road to the Kentucky Derby.”

**FILLIES** – If a filly wants to run in the Kentucky Derby she can, but she’ll have to earn her way into the field by accumulating points against open company just like the rest of the colts and geldings. Additionally, any points earned by a filly in the “Road to the Kentucky Derby Presented by Woodford Reserve” series against open company will be credited to her point total in the “Road to the Kentucky Oaks” series.

**DEAD-HEATS** – In the event of a dead-heat (tie) those horses will divide equally the points they would have received jointly had one beaten the other.

**SPLIT DIVISIONS** – In the event a race is split into divisions and each division awards its originally published purse money, points will be awarded as scheduled for each division. If the originally published purse is reduced for each division, points will be reduced proportionally as well.

**LASIX** – The 2021 Kentucky Derby and Kentucky Oaks marked the first year those races were run without the permitted use of Furosemide (often referred to by the brand name, Lasix). Points will only be awarded to horses who compete on race day without Lasix in Road to the Kentucky Derby and Road to the Kentucky Oaks races. Any points earned by horses with Lasix on race day will be vacated.

**MEDICATION VIOLATIONS** – If the connections of a horse have been notified by a regulatory body about a medication violation from participation in a Road to the Kentucky Derby or Road to the Kentucky Oaks race, and that violation would result in disqualification, any accrued points from the race will be revoked until the matter reaches a legal conclusion. Accrued points will be reinstated if the matter is legally overturned prior to the running of the Kentucky Derby or Kentucky Oaks.

**DERBY/OAKS TRAINER SUSPENSION** – Effective Sept. 30, 2021, points from any race in the Road to the Kentucky Derby or Kentucky Oaks will not be awarded to any horse trained by any individual who is suspended from racing in the 2022 Kentucky Derby or 2022 Kentucky Oaks or any trainer directly or indirectly employed, supervised, or advised by a suspended trainer. Should a horse trained by a suspended trainer, or any trainer directly or indirectly employed, supervised, or advised by a suspended trainer, finish in a position that would have earned points in a Road to the Kentucky Derby or Kentucky Oaks race occurring after Sept. 30, 2021, the points associated with that finish position will be vacated.

## ABOUT CHURCHILL DOWNS RACETRACK

Churchill Downs Racetrack ("CDRT"), the world's most legendary racetrack, has been the home of The Kentucky Derby, the longest continually held annual sporting event in the United States, since 1875. Located in Louisville, CDRT features a series of themed race days during Derby Week, including the Kentucky Oaks, and conducts Thoroughbred horse racing during three race meets in the Spring, September, and the Fall. CDRT is located on 175 acres and has a one-mile dirt track, a 7/8-mile turf track, a stabling area, and provides seating for approximately 60,000 guests. The saddling paddock and the stable area has barns sufficient to accommodate 1,400 horses and a 114-room dormitory for backstretch personnel. CDRT also has a year-round simulcast wagering facility.
